Overview of Roles, Requirements, and Duties for the SSH Certification Council and Subcommittees

REQUIREMENTS OF INDIVIDUAL MEMBERS

Fundamental Principles
- Communication between individuals
- Setting of expectations
- Understanding of duties/roles/activities
- Engagement of individuals
- Ongoing feedback

Chair/Vice-Chair Specific Duties
- Assign roles
- Communicate duties and desired outcomes (and deadlines/timeframes)
- Foster commitment of the members
- Facilitating of work and key roles, and participation in meetings and communications
- Participation in monthly meetings is expected
- Preparation of monthly report for submission to the full committee including items requiring approval

Council Members
- Must maintain SSH membership
- Must complete disclosure and confidentiality statement annually
- Must complete 100% of requests (e.g. doodle polls) for availability, entering when available or not available at all
- Attended at least 75% of monthly phone meetings
- Actively participates in virtual work (email, virtual votes, etc)
  - Response and input into email/virtual conversations
  - Contributing to editing of documents under creation and/or revision
- Time commitment:
  - 1 meeting monthly for ~ 1 hour
  - In-person meeting at IMSG, ~2-4 hours
  - In-person meeting 1-2 times annually, 1-2 days in duration (excluding travel)
  - Additional time throughout the year to review or work on items as needed (typically not more than 1-4 hours/month)

Subcommittee Members
- Must maintain SSH membership
- Must complete disclosure and confidentiality statement annually
- Must complete 100% of requests (e.g. doodle polls) for availability, entering when available or not available at all

Version 2018.05.02 as approved by Certification Council
- Attended at least 75% of meetings over the past year
- Actively participates in virtual work (email, virtual votes, etc)
  - Response and input into email/virtual conversations
  - Contributing to editing of documents under creation and/or revision
- Time commitment:
  - Monthly meeting of ~ 1 hour
  - Work during the month of ~2-4 hours/month and potentially more depending on the work

**Evaluation**
- Formal evaluation/review each year—how are the committees/subcommittees doing?
- Check in at least at the halfway point
- Regular oversight/engagement

**Overall Responsibilities**
- Accept the duties and time commitments
- Advise chair and/or SSH staff of challenges/limitations that impact ability to fulfill commitments
- Recognize that you, as a volunteer, have the option to say “no” (e.g. due to short term needs etc)

**COUNCIL FUNCTIONS**
The Certification Council is primarily a decision-making body for all decisions, processes, and other elements related to the development, delivery, and oversight of SSH Certifications. The duties of the Council include:
- Approving body for all recommendations from Subcommittees.
- Serve as review body for all second tier formal appeals.
- Policy and Procedure
  - Review P&P on a regular basis (time lines to be determined)
  - Draft P&P as needed
- All items as listed in Standing Rule 5: Responsibilities

**SUBCOMMITTEE FUNCTIONS**

**CHSE Certification Subcommittee**
- Membership: Chair (current Council member) + 6-8 subcommittee members (two-thirds must be currently CHSE certified)
- Terms: 3 year plus renewable 3 year (Council model)
- Set candidate requirements
  - Initial
  - Recertification
- Audit reviews as required
- Applicant reviews
- Exam form development and delivery
  - Selection of item writers and form reviewers
  - Approve cut scores and other metrics
• Complaints
  o Review and provide recommendations

CHSOS Certification Subcommittee
• Membership: Chair (current Council member) + 6-8 subcommittee members (two-thirds must be currently CHSOS certified)
• Terms: 3 year plus renewable 3 year (Council model)
• Set candidate requirements
  o Initial
  o Recertification
• Audit reviews as required
• Applicant reviews
• Exam form development and delivery
  o Selection of item writers and form reviewers
  o Approve cut scores and other metrics
• Complaints
  o Review and provide recommendations

CHSE-A Certification Subcommittee
• Membership: Chair (Council Member who is currently a CHSE-A) + 6 subcommittee members (two-thirds must be currently CHSE-A certified)
• Terms: 3 year plus renewable 3 year (Council model)
• Oversee initial portfolio requirements and recertification processes
• Manage and maintain policies for CHSE-A process
• Oversee CHSE-A portfolio reviews and reviewers
• Reviewer training
  o Validity and Reliability
  o Develop and maintain rubrics and other tools for candidate assessment
• Complaints
  o Review and provide recommendations

Quality Subcommittee
• Membership: Chair (current Council member) + 6-8 subcommittee members (two-thirds must be currently CHSE, CHSOS, and/or CHSE-A certified)
• Terms: 3 year plus renewable 3 year (Council model)
• Compliance
  o Related to accreditation standards and processes
• Data Collection
  o Application data
    ▪ Applicants
    ▪ Exam scores
    ▪ Portfolio scores
    ▪ Validity and reliability
• Analysis
  o Provide analysis of data and report to Certification Council
  o Provide suggestions for changes to processes or data points

Version 2018.05.02 as approved by Certification Council
• Output
  o To Certification Council and Subcommittees
  o To Board of Directors
  o To Healthcare Simulation Community

Communications Subcommittee
• Membership: Chair (current Council member) + 6 members (two-thirds must be currently CHSE, CHSOS, and/or CHSE-A certified)
• Terms: 3 year plus renewable 3 year (Council model)
• Marketing
  o Provide recommendations regarding new strategies as requested
• Communications
  o Develop and/or identify messaging process or program related to new products/programs
  o Collaborate on updating the Certification Web pages
• Affiliations/external committees
  o Collaborate as needed with external entities and/or stakeholders

Equivalency Subcommittee
• Membership: 1 individual from each of the subcommittees, total membership of 5 individuals.
• Chair: no chair is assigned to this group. However the Chair and Chair-Elect/Past Chair of the Council will serve as arbiters and advisors as requested by the Equivalency Subcommittee.
• Terms: based on terms as assigned in the subcommittees
• Review applicants who are submitting for an equivalency of degree status within 3-5 business days of being assigned
• Make decisions to grant or not grant equivalency to meet eligibility criteria
  o A minimum of 3 votes on any individual request is required to achieve a consensus decision (majority vote).
• Support equivalency process
  o Make recommendations for process and requirements
  o Provide feedback as needed
• The Director of Certification shall be responsible for coordinating the work of this subcommittee and supporting the involvement of the Chair and Chair-Elect/Past Chair as requested.

Work groups
Individuals will be assigned to focus on work or initiatives on an adhoc basis (ie standards revisions, etc). This may include individuals who are not current Council or subcommittee members, but are brought in for content or other reasons to support the assigned work.

ELIGIBILITY REQUIREMENTS

Eligibility requirements to be selected for any of the above:
• Have experience in the area of volunteerism. For example, have experience conducting research if serving on subcommittee chair for research
• SSH member
• Experience in healthcare simulation

**Eligibility Requirements**

**Subcommittee Member**
- Preferred to be a certified individual
- Preferred five years of experience in healthcare simulation; however, a mix of experience is desired

**Subcommittee Chair/Vice-Chair**
- Same as Subcommittee Member
- Preferred to have subcommittee experience

**Council Member**
- See Standing Rule 4: Composition

**Council Chair/Vice-Chair**
- See Standing Rule 4: Composition

*Certification Council Chair and Chair-Elect/Past Chair have discretion in the above (in coordination with SSH Staff)*
